

MCL Major and complex loss

Our dedicated Major & Complex Loss (MCL) adjusters are sector experts who have successfully handled some of the world's biggest and most complicated claims.

Offering insurers, brokers and policyholders world-class advice, cost-effective and fair claims handling service, our MCL adjusters ensure business is back up and running as quickly as possible after a loss.

PROPERTY

For major and complex property losses, we have Asia's most experienced chartered loss adjusters and industry recognised experts. Strategically located throughout Australia, our MCL experts provide a rapid response, assist in loss mitigation, identify critical issues and drive the recovery process.

LIABILITY

Our liability team provides solutions to a variety of customer and third-party issues. Our services range from brief factual enquiries and task assignments to full adjustments involving all types of liability claims, including complex professional indemnity or product liability matters.

CONSTRUCTION AND ENGINEERING

From small building developments, oil refineries, bridges, tunnels, railways and other critical infrastructure projects through to the construction of iconic buildings around the world; our expert team has the strength and stability to

become your independent expert on construction and engineering claims.

CATASTROPHE MANAGEMENT

With our extensive network across Asia and a global footprint spanning more than 65 countries, we have the size, experience and capability to provide the human resources, logistical solutions and supporting systems for service excellence in any catastrophic environment.

MARINE

Our marine team provide specialist services in all marine related fields. By engaging only qualified and experienced seafarers and surveyors with years of "hands-on experience", our national network of marine specialists aim to provide the most capable marine claims and risk services.

FORENSIC ACCOUNTING

Our highly qualified team of accountants, valuation specialists and fraud examiners specialise in business interruption and financial losses. Our experts develop claim resolution and settlement strategies that avoid disputes and reduce settlement times and costs.

MINING AND RESOURCES

For mining, energy and power claims, our team of technical loss adjusters, engineers, surveyors and forensic accountants is experienced in implementing solutions that assist with loss mitigation and ensure that production is safely and quickly resumed.
