

Global marine TPA solutions

At Sedgwick, our global marine group works as a specialized extension of each client's overall claims management effort, providing proactive, results-oriented claims administration, adjusting and recovery services. Our experienced marine adjusters, combined with comprehensive field services, reduce the client's cost of program administration, while maintaining quality service.

Comprehensive services

Sedgwick has the largest roster of experienced marine adjusters, surveyors and recovery experts in the U.S. Globally, we have over 250 marine professionals in 65 countries. Our services include:

- Cargo claims
- Marine liability claims
- Hull and machinery claims
- Project cargo
- Yacht claims
- Stock throughput
- Warehouse suitability inspections
- Recovery (subrogation) expertise

Download the **Sedgwick Marine** app from the App store or Google Play

Benefits and expertise
