Report Revision Request Form

Request Information	
EFI Job Number:	
Requested Date:	

Reason for Revision

Specific Changes Requested (Summary)

Note: You must also include a complete, corrected COC along with this form if applicable.

Approval:

I hereby request a revision to an issued report. I confirm that the specific changes listed above are consistent with those documented on the revised chain of custody (COC). Only the changes explicitly identified in this request will be applied to the report. Any additional modifications noted on the revised COC but not specified herein will not be incorporated, in order to maintain the integrity, traceability, and impartiality of the reporting process in accordance with ISO/IEC 17025:2017 requirements.
