

# Loss adjusting solutions

*Sedgwick has become one of the world's leading providers of loss adjusting solutions. We strive to continually build upon our outstanding reputation for excellence and customer-focused service in the property, casualty and marine insurance arenas.*

## Property claims

With the largest roster of expert claims adjusters and more than 220 branch locations across the United States, we are able to respond quickly to assist our clients and their policyholders. Our adjusting team averages over 25 years of experience, handling all types of property claims, from residential to the largest and most complex losses. In addition, we have a heavy equipment unit with the specialized knowledge to adjust losses for tractors/trailers and cranes, construction, farm, oil field, emergency and forestry equipment, just to name a few.

## Casualty claims

Our casualty adjusters have in-depth experience handling all types of liability claims including:

- Auto/trucking
- Auto property damage
- Bodily injury
- Cargo
- Construction defect
- Cyber risk
- E&O/D&O
- Employment practices
- Environmental
- Fidelity/surety
- Garage keeper's
- General
- Liquor
- Medical malpractice
- Premises
- Products
- Professional
- Shared economy
- Transportation
- Warehouse

## Marine surveying and adjusting

With surveyors at every major port in the United States, Sedgwick has the expertise and capacity to handle global supply chains, ever-changing marine regulations, new environmental policies and diminished salvage resources.
