

Sedgwick MCO and ProMedica
Medical Management
performance comparison

Accumulation of lost workdays is a key driver of claim costs, impacting premium rates, savings options and workplace operations. A managed care organization that consistently facilitates a faster return to work for injured employees positions their clients for success. Sedgwick MCO averages 10.7% fewer lost workdays per claim than ProMedica Medical Management.¹

Consistent with lower average lost days per claim, Sedgwick MCO also outperforms ProMedica Medical Management in the average total cost per claim.¹

Sedgwick MCO is Ohio's largest managed care organization and we handle more than half of all workers' compensation claims in the state.¹ We have extensive experience guiding Ohio employers and injured employees through the managed care process.
