

London market claims solutions

Complexity and emerging risks have caused greater exposure, increased claim frequency and litigation, and the need for continual oversight of claims management efforts. Sedgwick offers expert liability, property and automobile claims solutions for the London Market and their Canadian coverholders and brokers.

Sedgwick knows that syndicates, MGAs, brokers and coverholders are looking for real solutions and partners that can provide expert advice and analysis, as well as more effective programs and optimal results. Our experts stand ready to support and resolve the claims challenges faced by our corporate clients and carriers every day.

A history of excellence

Sedgwick's delegated authority team manages U.S. claims for carriers in the London market. They have provided nationwide claims services for insurance carriers, syndicates and brokers at Lloyd's since 1985. The team has built its reputation as a best-in-class third party administrator (TPA) by providing unparalleled claims handling and loss adjusting services, as well as accurate and unsurpassed bordereau services and data management to enable you and your clients to properly identify and manage exposures. Sedgwick's Canadian operation joined forces with our delegated authority team, combining our exacting services and philosophy to provide seamless solutions.
