

MCL Property capability

Our reputation is founded upon retaining the finest adjusters who understand the sector and deliver exceptional service to clients around the world.

Major and complex property losses can have widespread effects. Our experience in the skillful management of these events can greatly limit this impact.

By working with all stakeholders, we mitigate the loss and return the business to normal operations as soon as possible. This is achieved by early identification and resolution of critical issues and regular communication.

OUR CAPABILITY

- Commercial property
- Automotive
- Consumer products
- Education

OUR APPROACH

The right team – Our highly experienced multi-disciplined team has outstanding technical expertise and industry knowledge.

Managing costs – With our clients, their customers and technical staff, we develop practical solutions that enable businesses to safely resume operations quickly while containing claims spent and costs.

Responsiveness – With the support of Sedgwick's regional and global network spanning 65 countries, we are able to rapidly respond to any loss situation, assist in loss mitigation, identify critical issues and drive the business recovery process.

Proactive loss management - Whatever the circumstance of the loss, our proactive and collaborative approach considers all parties involved with one common goal – the successful resolution of the claim in the shortest time frame possible.

Client focus – Our success is based on understanding our clients' needs and meeting them consistently and seamlessly.

Integrity and trust – These are essential elements of our relationships, giving our clients confidence that when they use Sedgwick, they have the right team for the job.
